We Handle Only Mrs. Margaret Schrieber bas rott bome in Portsmouth, accompandaughter, Mrs. Jacob Cablish. Highest Grades Clothing.

Moreover, we never indulge in fake advertisements. You ask why this tremendons reduction in our prices. We answer, do you know that up to date we have not had a week's cold weather all this witter? We are stuck on Heavy Sulfs and Overcoats and for two reasons must unload. The most important is we need the money for thirty odd thousand dollars worth of Clothing on hand. The other reasons you sour spring purchases are beginning to come in. It will take lots of room for them. Jook in our willows and you will see what one third off means.

The War Is Over! And the wartime prices that you have been paying for furniture and implements have to go, for the Price Fighter is now in Maysville, Ky., and selling goods to beat the band on his famous 10 per cent. plan. Do you know what that means? We buy them right—assigned, bankrupt and overstocked factories always find us ready to buy their goods at 60c. on the dollar—we add 10 per cent. (that's our profit) then we sell them to you quick. Thus you are enabled to buy Furniture and Farm Implements of us at just about half what the other fellows ask you for the same goods.
